

Town of Cuba District #5 Sewer Project Contractor's bid opening – April 28, 2009; 2:00 PM

Members of the Town of Cuba Board await with eager anticipation the April 28, 2009, 2:00 PM bid opening for the District 5, Cuba Lake - Route 305 Corridor Public Sewage Treatment Project. The bid totals read would include both contractor work and necessary equipment which includes the E/one, Extreme Series Grinder Pumps.

At 2:00 PM, Tom Swift of Clark Patterson Lee, Design Professionals opened the first bid package. Nine bids were received from contractors, ranging from a high bid of \$5,989,000.00 to a low of **\$3,147,240.20**. The average of the remaining seven bids was \$4,515,622. All but one of the bids were within the voter approved value of \$5,687,000. The bids will be reviewed in detail by Clark Patterson to verify the final, valid low bidder.
